

The WDC will be hosting Trolley Tours of Watertown's Industrial Parks on Tuesday, October 2.

The Trolley Tours will last approximately 90 minutes and will depart from the Commerce Center at 1 East Kemp at 9:00 a.m. and 11:00 a.m., taking riders on a comprehensive driving tour of Watertown's Industrial Parks – from Pheasant Ridge to Lake Air (and points in between).

There will be no stops, but we will be sharing fun facts about manufacturing in Watertown during the ride – and encouraging riders to stop by any of the plant tours scheduled during Manufacturing Week.

Plant tours are a great way to spread awareness about your products and career opportunities, and Manufacturing Week is a great time to showcase your facility!

We encourage you to schedule your Manufacturing Week plant tours on Tuesday, October 2 from 1:00 p.m. – 3:00 p.m., but if that time doesn't work for you – no problem! Let us know when you'll be open for tours, and we'll inform our riders of your tour schedule. We'll even provide a map, noting your tour date and time!

Manufacturing Week tour schedules will also be promoted via the WatertownWorks digital media channels and other local marketing efforts.

To add your business to the schedule of plant tours for Manufacturing Week – or to reserve your seat on one of the Trolley Tours, please contact Michelle at:

michelle@watertownworks.com

or

(605) 884-0340

To ensure that your tour schedule is included on the schedule for the week, please respond by **Friday, September 21.**

If you would like to ride on one of the Trolley Tours, please reserve your spot by **Friday, September 28.**
